RE: INDUSTRIAL TRAINING PLACEMENT

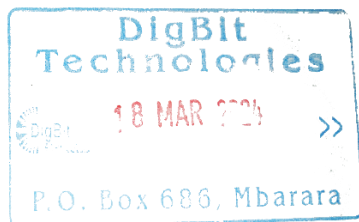

We are pleased to inform you that your application for an internship at our esteemed company has been successful. On behalf of DigBit Technologies I would like to extend our warmest congratulations and welcome you to our team.

Your internship with DigBit Technologies will provide you with an excellent opportunity to gain practical experience in the IT field and enhance your professional skills. Throughout your internship, you will work closely with our experienced team members, who will provide mentorship and guidance to help you maximize your learning potential.

We believe that your skills and knowledge will make a valuable contribution to our company, particularly within our IT Department. We are excited to offer you an internship placement from June to July of this year.

Internship Details:

- Department: Information Technology
- Duration: June to July
- Facilitation Fee: 200,000 UGX

Yours sincerely,

Ssewante Johnbosco
